

Stella Castelli
Death is Served

Stella Castelli, born in 1989, works as a teaching associate at the English Department of Universität Zürich. In 2023, she finalized her doctoral dissertation discussing the serial representation of death in American culture. Her research focuses on American studies, literature, film and television studies, psychoanalytic criticism as well as philosophy.

Stella Castelli

Death is Served

The Serialization of Death and Its Conceptualization
Through Food Metaphors in US Literature and Media

[transcript]

This work was accepted as a PhD thesis by the Faculty of Arts and Social Sciences, University of Zurich in the fall semester 2020 on the recommendation of the Doctoral Committee: Prof. Dr. Elisabeth Bronfen (main supervisor) and Prof. Dr. Barbara Straumann.
