Climate Justice

Ethical Aspects and Policy Aspects

VERLAG KARL ALBER

This publication is funded by the North Rhine–Westphalian Academy of Sciences, Humanities and the Arts as project of the Academy Program of the Federal Republic of Germany and the state of North Rhine–Westphalia.

The first part of this expert report (I. Climate Justice: Ethical Aspects) contains results achieved within the project Practical Challenges of Climate Change: Intergenerational Justice and Freedom (PRACC), which is funded by the Federal Ministry of Education and Research under the grant number 01GP2206A.

Copyediting: Marius Bartmann and Aurélie Halsband
