B. FORM AND SUBJECT INDEX

(The arrangement in this index follows the outline given for Classification Literature in Int.Classif.9(1982)No.2,p.109. It contains the titles in abbreviated form. The indication of type of source is added, namely A for Article, R for Report, E for Editorial, F for FID/CR News, C for COCTA News, I for Infoterm News, O for Obituary, L for Letter to the Editor and B for Book review. All the non-English titles are given in translated form with language symbols for the original (de = German, fr = French, and it = Italian).
