PUBLISHING. KNOWLEDGE. TOGETHER.

transcript publishing stands for a multilingual transdisciplinary programme in the social sciences and humanities. Showcasing the latest academic research in various fields and providing cutting-edge diagnoses on current affairs and future perspectives, we pride ourselves in the promotion of modern educational media beyond traditional print and e-publishing. We facilitate digital and open publication formats that can be tailored to the specific needs of our publication partners.

OUR SERVICES INCLUDE

- partnership-based publishing models
- Open Access publishing
- innovative digital formats: HTML, Living Handbooks, and more
- sustainable digital publishing with XML
- digital educational media
- diverse social media linking of all our publications
