

Schlusswort

Das Schlusswort möchte ich meinen Gesprächs- und Forschungspartner:innen in den Forschungsgemeinden überlassen. Hezekiah fasst zusammen, was ihn trotz aller Widrigkeiten dazu bewegt, weiter dieser besonderen, mitunter schwierigen und frustrierenden, aber auch schönen und bereichernden Aufgabe nachzugehen:

It is really is encouraging, very encouraging because vox populi, vox Deo. It was (in the voice of God?). When you hear these things, that you got affirmation, that God is pleased with what we are doing, people are really inspired. People go out feeling rejuvenated, feeling ›Aha, it was not a waste of time. That's it. It's worth like in Epheser: when you can inspire two or three people, it's okay, it's worth it, it's worth it. It's doing what we are called to do in locally. (HH_Int_Hezekiah (2) 13.07.2022, Abs. 77)
