

## List of Abbreviations

---

6MWT: Six Minute Walk Distance  
ART: Assisted Reproductive Technology  
ASRM: American Society for Reproductive Medicine  
ATMP: Advanced Therapy Medicinal Products  
AUIF: Absolute Uterine Infertility  
BR: Biobank Research  
CIT: Cold Ischemic Time  
CKD: Chronic Kidney Diseases  
CPR: Cardiopulmonary Resuscitation  
DBD: Organ Donation after Brain Death  
DBCDD: Organ Donation after Brain Circulation Determination of Death  
DCDD: Donation after Circulatory Determination of Death  
DSO: Deutsche Stiftung Organtransplantation [German Organ Transplantation Foundation]  
ECD: Expanded Criteria Donors  
ECMO: Extracorporeal Membrane Oxygenation  
EKTAS: Eurotransplant Kidney Allocation System  
ELPAT: Research Group: Ethical, Legal and Psychosocial Aspects of Transplantation  
EMA: European Medicines Agency  
ESKD: End Stage Kidney Disease  
ESP: Eurotransplant Senior Programme  
ESRD: End Stage Renal Disease  
fMRI: Functional Magnetic Resonance Imaging  
GKE: Global Kidney Exchange  
GP: General Practitioner  
HFEA: Human Fertilisation and Embryology Authority  
hiPSC: Heterologous Induced Pluripotent Stem Cells  
HIV: Human Immunodeficiency Virus  
HLA: Human Leukocyte Antigens  
HTA: Human Tissue Authority  
HU: High Urgent Call  
IPSC: Induced Pluripotent Stem Cells  
IQWiG: Institut für Qualität und Wirtschaftlichkeit im Gesundheitswesen [Institute for Quality and Efficiency in Health Care]

IVF: In-vitro-Fertilisation  
KAS: Kidney Allocation System  
KDPI: Kidney Donor Profile Index  
KE: Kidney Exchange  
LAS: Lung Allocation Score  
LD: Living Donation  
LDT: Living Donor Transplants  
LKTD: Living Donor Kidney Transplant  
LYFT: Life Years from Transplant  
MAC: Mandated Active Choice  
MHRA: Medicines and Healthcare Regulatory Agency  
MRKH: Mayer-Rokitansky-Keuster Hauser Syndrom  
MRC: Medical Research Council  
NEAD: Never Ending Altruistic Donor Chain  
NHS: National Health Service  
NHSBT: NHS Blood and Transplant  
NICE: National Institute for Health and Care Excellence  
NOTA: National Transplantation Act  
OD: Organ Donation  
ODNZ: Organ Donation New Zealand  
OP: Organ Procurement  
OPTN: Organ Procurement and Transplantation Network  
PGD: Preimplantation Genetic Diagnosis  
QALY: Quality Adjusted Life Years  
RCT: Randomized Controlled Trial  
SCD: Standard Criteria Donors  
STS: Science and Technology Studies  
UNOS: United Network for Organ Sharing  
UT: Uterus Transplantation  
VAC: Voluntary active choice  
VCA: Vascularized Composite Allograft Organ  
WHA: World Health Assembly  
WHO: World Health Organization
