B. FORM AND SUBJECT INDEX

(The arrangement in this part of the index follows the Classification Literature Classification as outlined in almost each issue of Int.Classif. and printed in full length in Int.Classif.12(1985) No.3, p.147-151. It contains the titles in abbreviated form. An indication of type of source is added, namely A for Article, B for Book Review, C for COCTA News, E for Editorial, F for FID/CR News, I for Infoterm News, L for Letter to the Editor, N for General News, and O for Obituary. All non-English titles are given in English. The language symbol (de) signifies items in German.)
