## Acknowledgements

This work was a part of EX-PED-LAB, a BarnKunne (KindKnow) project at Western Norway University of Applied Sciences. BarnKunne Research Center is supported by Norwegian Research Council (NRC). More information about the research center and project can be found at: <https://www.hvl.no/en/about/kindergarten-knowledge-centre/>

The authors would also like to thank to all people who made this work possible and another BarkKunne researcher, Czarecah Tuppil Oropilla (Eya) for her contributions, especially in the Norwegian context.
