

The Corporate Art Index

Viviane Mörmann

Twenty-One Ways to Work with Art

This book contains information from the Internet (i.e., company websites, web-based information providers, and Wikipedia) and from books and personal interviews collected in 2019/2020. The author took every effort to contact copyright holders and provide correct information about the subject matter described.

While every attempt has been made to provide accurate information, the author or publisher cannot be held accountable for errors or omissions. In case of inconsistencies, please contact the author.

This book contains examples of corporate art initiatives that exist at the time of publication (2019/2020) and can be researched on the Internet. If you need advice on organizing an art initiative, contact the author directly.
