Foreword

<i>Jennifer Schluer</i>	9
-------------------------------	---

Section I: Introduction

Introduction to Digital Feedback in Research and Teaching: The Project, the Conference, the Current Book

<i>Jennifer Schluer</i>	13
-------------------------------	----

Section II: Pedagogical (Re-)Design

Redesigning TESOL Courses with Digital Feedback: Reflections on Modifications and Suggestions for Future Exploration

<i>Jennifer Schluer</i>	35
-------------------------------	----

Implementing Feedback Activities in a Curriculum Planning Course to Foster Preservice Teachers' Feedback Literacy: A Critical Reflection

<i>Yarong Liu</i>	63
-------------------------	----

Guiding and Inspiring Teachers to Incorporate Feedback in Course and Task Design: An Interactive Feedback Taxonomy

<i>Jennifer Schluer</i>	75
-------------------------------	----

Section III:

Learner Engagement and Teachers' Roles in Feedback Processes

Needs-based Feedback? – The Role of Students in (Digital) Feedback Processes in Higher Education

Annika Brück-Hübner 99

From Passive to Active Learners: Using Audience Response Systems to Foster Motivation and Participation in the Classroom

Anna-Katharina Scholz 117

Using Student Feedback to Improve Teaching Practice – A Teaching Idea

Sara Wohlschläger 127

Integrating Feedback in a Rich Digital Writing Environment with Padlet

Ralf Giebler & Jana Maria Olejniczak 137

On the Use of Criteria-based Peer Feedback in Online Preparation Courses for the Digital TestDaF – Assumptions, Implementation and Reflections

Ines Paland-Riedmüller, Simone Weidinger, Anastasia Drackert 147

Tea Time: Feedback Observation within Tandem Learning

Amanda Yi Chng 159

'Mhm okay' – Frequencies of (Non-)Corrective Feedback after Oral Errors in German as a Foreign Language (GFL) Videoconferencing

Julia Lankl 169

Section IV:

Social Media and Self-Regulated Learning

Learner Engagement through Feedback Processes on – and Inspired by – Social Media

Jennifer Schluer 215

Voiceover Feedback on TikTok

Erhan Altay 247

Adapting Social Media to English Language Teaching: 'Dialogue on Instagram Story'

Ezgi Irem Bekci 253

Feedback on Study Time and Distraction-Free Learning Environment

Manuel Schmitz, Jenny Rettstatt, Markus Suren, Daniel Brand, Martina Seemann, Marco Ragni, Günter Daniel Rey 259

Section V:
Artificial Intelligence in the Feedback Process

Using Chatbots for Feedback Exchanges in Educational Settings
Jennifer Schluer281

AI Avenues for Future Research and Teaching Practice on Digital Feedback
Jennifer Schluer313

Appendix

Short Biographical Notes of Contributors 335
