1734 Berücksichtigt wurde nur der Haupttext Teil A, also die Korrespondenz zwischen Böckenförde und Schmitt. Die Auswahl der Personen konzentrierte sich auf das Netzwerk der Zeitgenossen, die akademischen Akteure in den Debatten. „Klassiker“ und zeitgenössische Politiker wurden weniger berücksichtigt, einmalige oder periphere Erwähnungen (z. B. einmalige Literaturhinweise) von marginaler Debattenbedeutung wurden ebenfalls in der Regel herausgelassen.
