

## ACKNOWLEDGEMENTS

I thank all contributors of this book for their great cooperation in getting this volume together. I am grateful to many who have read the contributions and made comments highly appreciated. My special thanks go to Nina Glick-Schiller and Otto Habeck for carefully reviewing some of the articles. I am thankful to Jutta Turner for copy-editing this book thoroughly and energetically, never running out of patience and maintaining a sense of humour at all times. Andreas Hemming proofread large parts of this book and I thank him for that.

I dedicate this book to my nieces Lina Antonia and Annika Marie.
