

Acknowledgements

I wish to express my sincere appreciation and gratitude to my supervisors: Dr. habil. Michael Basseler was instrumental in shaping the project and provided guidance through each stage of the process; Prof. Dr. Karsten Fitz offered much appreciated advice and encouragement that was indispensable. Thank you! I would also like to extend my gratitude to the FAZIT Foundation for the financial assistance they provided toward the completion of my dissertation. Finally, a heartfelt thanks to my family, friends, fellow doctoral students, and colleagues from *The International Graduate Centre for the Study of Culture* for their motivation and emotional support throughout the PhD journey.
