

Marion Ernwein, Franklin Ginn, James Palmer (eds.)
The Work That Plants Do

Marion Ernwein is a lecturer in environmental geography at the Open University. She researches the changing place of plants in contemporary urbanism.

Franklin Ginn is a senior lecturer in cultural geography at the University of Bristol. He is author of *Domestic wild: Memory, nature and gardening in suburbia*, and co-editor of *Environmental Humanities*.

James Palmer is a lecturer in environmental governance at the University of Bristol. His research examines resource-making practices associated with new bio-energy economies and infrastructures.
