The editors would like to acknowledge the *Elisabeth-List-Fellowship Programme for Gender Studies* at the University of Graz for the financial contribution to the project “Gender and Age/ing in Popular Culture – Particularly in Music” which made this publication possible and where all editors were involved in. Furthermore, we would like to acknowledge the *Sector Science and Research* (Abteilung 12: *Wissenschaft & Forschung*) of the *County Styria* for their financial support. We would also like to acknowledge the ERA Gender-Net+ research project *MASCAGE – Analyzing Social Constructions of Ageing Masculinities and their Cultural Representations in Contemporary European Literatures and Cinemas* whose researchers have contributed to this volume. To the reviewers, who generously provided us with their expertise and made this publication possible, we extend our gratitude.
