Foreword
Bori Fehér, Janka Csernák 9

Chapter 1 / Understanding Design and Crisis

A Collaborative Approach to Designing Post-Disaster Living Spaces After the 2023 Earthquake in Türkiye
H. Gamze Ekin & Begüm Akkaya 17

Not Another Shelter. Traps of Solutionism in Humanitarian Design
Johanna Mehl 37

Gendered Design for Gendered Crisis: Women’s Experiences in Public Transport
Pinar Kaygan, & Harun Kaygan 51

How does Facilitating Relations between Generations Prevent Urban Isolation? The Response of Intergenerational Cohousing through Prospective Solidarity Design
Thomas Watkin 63

Chapter 2 / Crisis, Literacies, and Practices

A Toolbox for Introducing Co-design Processes in Rural Areas with Social Innovation Hosting Initiatives
Massimo Menichinelli, Denise de Spirito, Elena Elizondo Nieva, Iván Paz 79

Transforming the Transformer in a Time of Crisis. Marie Neurath’s Experience in the Time of the Web
Matteo Maria Moretti 99

Disrupting by Design: Assessing Imaginaries of Techno-Futures	
<i>Stefanie Ollenburg, Marius Land</i>	119

Kembali – Return and Transformation. Spotlighting Design Solutions for Indonesia's Plastic Pollution Crisis	
<i>Flavia Alice Mameli</i>	135

Chapter 3 / Crisis and Communities

Visual Communication Bridging Intercultural Barriers: Visual Methods Supporting the Social Inclusion of Young Refugees	
<i>Ágnes Jekli</i>	149

More-than-Verbal Tools: Making Participation Tangible and Embodied through Ad-hoc Design Tools When Working with Migrant Women	
<i>Seçil Uğur Yavuz, Merve Bektaş, Teresa Palmieri, Ingrid Kofler, Aart van Bezooijen, Gianluca Tenin</i>	165

Better Together: Responding to Crisis through Transdisciplinary Approaches and New Tools	
<i>Svenja Bickert-Appleby, Carla Sophia Jakobowsky, Theresa Kousseva, Irene Elisabeth Müller, Anja Richert, Valérie Varney</i>	181

Designing Together in Multi-Crisis Times: Effects of Mundane and Strategic Work with Indigenous Communities in the Ecuadorian Amazon	
<i>Nathaly Pinto, Efrén Nango</i>	201

Chapter 4 / Crisis and Education

Applying Human-Centered Design Methods to Social Design Education	
<i>Antonia Monjo Palau</i>	227

Design Pedagogy in an Uncertain World: Sensible, Transdisciplinary, and Post-Human Approaches	
<i>Cecilia De Marinis, Jaron Rowan</i>	239

Chapter 5 / PhD + MA Track

How Makerspace in School Helps Develop NAT2020 Core Competencies <i>Anna Barsy, Sára Fleischer</i>	255
Sensory Methods towards More-than-Human Placemaking – A Case Study of Traditional Floodplain Farming at the Tisza River <i>Zsófia Szonja Illés</i>	259
Intention-setting with Reflexivity and Introspection: a Driving Force of More Ethical Design Practice <i>Réka Sára Mezei, Julia Maria Podobas</i>	263
Design as a therapy: Using Design Methods to Support Processing Trauma of Forced Migration and Loss of Place <i>Erzsébet Hosszu</i>	265
‘Acerba Diaspora’: the Becoming Identity of New Generations <i>Kseniia Obukhova</i>	267

Chapter 6 / Activation Day and Workshop Results
