

Anna Katharina Skornia
Entangled Inequalities in Transnational Care Chains

Anna Katharina Skornia completed her doctorate in Sociology from the Freie Universität Berlin. She is a member of the Research Network on Interdependent Inequalities in Latin America (desiguALdades.net). Her research interests include migration, care, and social inequality from a transnational perspective.

ANNA KATHARINA SKORNIA

Entangled Inequalities
in Transnational Care Chains
Practices Across the Borders
of Peru and Italy

[transcript]

This doctoral thesis was submitted to Freie Universität Berlin, Department of Political and Social Sciences, and was written with financial support and advising in the context of the doctoral fellowship program of *desiguALdades.net*, the international interdisciplinary research network on social inequalities in Latin America. A publication grant from *desiguALdades.net* also paid a portion of the publication costs. *desiguALdades.net* is funded by the Bundesministerium für Bildung und Forschung (German Federal Ministry for Education and Research).
