without you.

ACKNOWLEDGEMENTS

I THANK MY mentors, Borislav Grgin and Nenad Ivić, for the guidance they provided while I was researching for my PhD thesis. This book is based on that research and is therefore also a result of their efforts. I also thank the Catholic University of Croatia, and especially its rector Željko Tanjić, for their support without which the necessary research would not have been possible. I thank the United States Conference of Catholic Bishops and the Balassi Institute for partly financing my research. And lastly, I thank my wife Kristina and my family for their patience and understanding.
