

Correction

Dear reader,

in the last issue a mistake has occurred, which led to some misunderstanding of one article. In the article of **Kari Liuhto** “**The Transformation of Management Effectiveness in Post-Soviet Enterprises**” figure 1 was wrong. Please note that this was our mistake and not that of the author. I hereby do apologise! Below you will find the corrected figure.

Ingo Winkler, JEEMS Co-ordinator

Figure 1. The Relationship between Enterprise Performance and Change Probability
(JEEMS Vol. 4, Number 3, page 220)
