Manuscripts and Other Submissions:
All submissions should be sent to the above-mentioned address. There is no liability for unsolicited manuscripts that are submitted. They can only be returned if return postage is enclosed. Acceptance for publication must be made in text form.

With the acceptance for publication, the author transfers the simple, spatially and temporally unlimited right to reproduce and distribute in physical form, the right of public reproduction and enabling access, the right of inclusion in databases, the right of storage on electronic data carriers and the right of their distribution and reproduction as well as the right of other exploitation in electronic form for the duration of the statutory copyright to Nomos Verlagsgesellschaft mbH & Co. KG. This also includes forms of use that are currently not yet known. This does not affect the author's mandatory right of secondary exploitation as laid down in Section 38 (4) UrhG (German Copyright Act) after 12 months have expired after publication.

A possible Creative Commons license attached to the individual contribution, or the respective issue has priority in case of doubt. For copyright, see also the general notes at www.nomos.de/copyright.

Unsolicited manuscripts – for which no liability is assumed – are considered a publication proposal on the publisher's terms. Only unpublished original work will be accepted. The authors declare that they agree to editing that does not distort the meaning.

Copyright and Publishing Rights:
All articles published in this journal are protected by copyright. This also applies to the published court decisions and their guiding principles, insofar as they have been compiled or edited by the submitting person or the editorial staff. Copyright protection also applies with regard to databases and similar facilities. No part of this journal may be reproduced, disseminated or publicly reproduced or made available in any form, included in databases, stored on electronic data carriers or otherwise electronically reproduced, disseminated or exploited outside the narrow limits of copyright law or beyond the limits of any Creative Commons license applicable to this part without the written permission of the publisher or the authors.

Articles identified by name do not necessarily reflect the opinion of the publisher/editors.

The publisher observes the rules of the Börsenverein des Deutschen Buchhandels e.V. on the use of book reviews.
