

List of Figures and Tables

Figures

- Figure 1:** The Capitalist Growth Spiral
- Figure 2:** Proportionate Transport Performance of Modes of Transport According to Passenger Kilometres Travelled
- Figure 3:** Greenhouse Gas Emissions in Germany by Sector
- Figure 4:** Organisational Chart of the Federal Ministry of Transport, Building and Housing
- Figure 5:** Development of Tolls for Lorries and Rail in Germany. Indexed Representation, based on Average Toll Rate and Rail Price
- Figure 6:** Rail Share of Freight Transport, 2000–2019 in Germany, in Percent, based on Transport Performance in Tonne-Kilometres
- Figure 7:** Per Capita Government Investment in Rail Infrastructure in Selected European Countries, in Euros, 2019
- Figure 8:** Categorisation of Stakeholders in Transport Policy
- Figure 9:** Characteristics of the Integrative Sustainability Triangle (IST)
- Figure 10:** Transport Policy Indicators of the Integrative Sustainability Triangle
- Figure 11:** The Topography of Actors in the Integrative Sustainability Triangle
- Figure 12:** Segment of the Economically-Oriented Topography of Actors
- Figure 13:** Segment of the Socially-Oriented Topography of Actors
- Figure 14:** Segment of the Ecologically-Oriented Topography of Actors

Figure 15: Regional Development Plan for the Brandenburg-Berlin Conurbation

Figure 16: Institutionalised “Five-Corner Relationship” at EU Level

Tables

Table 1: Transport Performance and Modal Split in Passenger Transport (comparison between 1997 and 2015)

Table 2: Transport Performance and Modal Split in Freight Transport (Comparison between 1997 and 2015)

Table 3: Change in Cost Burdens for Users depending on the Scenarios

Table 4: Distribution of Stakeholders, based on the Index of Political Activity (PAI)

Table 5: Shares and Number of Stakeholders in Transport Policy by Category and Group

Table 6: Passenger Transport Journeys by Mode of Transport in Percent

Table 7: Development of Rail Transport in Central and Eastern Europe 1990–2000 – Transport Performance

Table 8: Traffic and Transport Infrastructure in the Territory of the EU-15 1970–2001
