Living at Night in Times of Pandemic

Popular Music

Anita Jóri (Dr.) is a postdoctoral research associate at the Vilém Flusser Archive, Berlin University of the Arts (Universität der Künste Berlin, UdK). Jóri's research and publications focus on the discursive and terminological aspects of electronic (dance) music culture. She is one of the curators of CTM Festival's Discourse programme.

Guillaume Robin has a PhD in German Studies. He works as a lecturer at Université Paris-Cité / Laboratoire Identités Cultures Territoires. His research focuses on body history and anthropology in 20th-century Germany, and more specifically on the ethnography of Berlin's electronic music scene. He is an active contributor to the journal *Allemagne d'Aujourd'hui*, for which he has co-edited several issues with Jean-Louis Georget on photography, contemporary dance and alternative medicine.
