

Frauke Mörike
Working Misunderstandings

Frauke Mörike works as a research fellow at the Division of Ergonomics at the Institute of Psychology and Ergonomics of Technische Universität Berlin. She studied business information technology, social anthropology and psychology. Prior to her PhD in organizational anthropology at the Universität Heidelberg, she worked as an IT-professional in the industry for over a decade. Her research interests focus on Computer Supported Cooperative Work (CSCW) in complex organisations, on assistive technologies in the workplace, and on the development of ethnographic methods for systems design and evaluation.
